## Basics to Bridle & Intro to Trail

August 27-28, 2011 @ Sky Hawk Ranch, Redmond, OR

**2 DAY CLINIC! LIMITED RIDERS! 2 INSTRUCTORS!**

This private program looks into the techniques of advancing you and your horse through the levels from basic foundation to the finished bridle horse.

**Equine psychology, biomechanics and personality traits:**

Why your horse *zigs* when you want him to *zag*.  
Key horse behavior & mannerisms.

**Groundwork Leadership:**

Establish the basics of keeping your horse quiet and respectful.

**Bits & Reins:** How they work and why.

**Foundational horsemanship skills** for controlling challenging situations with confidence and other tips to help your horse become fine tuned, respectful, and a willing working partner.

**Effective use of hand, rein, seat and leg aids** to gain control of your horse's body parts. Important in normal reining & speed control; it becomes essential when negotiating intricate or dangerous obstacles and terrain.

**Navigate basic trail obstacles** using the horse's natural curiosity & draw to encourage the horse to lower his head on cue into and through any given obstacle.

**Clinic Contact: Sheri Wheeler**
